

Caldwell

A ROMANTIC GETAWAY

Enjoy a classic dinner breakfast at **THE GARAGE CAFÉ**. Located off HYW 20/26 in Notus, this small town feel cafe treats everyone like family! With a wide variety of meals to choose from - try their six egg omelets or their chicken fried steak - you definitely won't be leaving hungry.

Before you hit the Sunnyslope Wine Trail you will want to pick up some picnic fixings at **LAKE VIEW FRUIT** or **THE SHED AT GARRETT RANCHES** to munch on during your day. There's nothing better than wine tasting with local fruits, cheeses and honey.

What says romance better than wine? There are multiple award-winning wineries at your fingertips in Caldwell...so get tasting! Be sure to make a toast to your love in the tasting rooms at **WILLIAMSON ORCHARDS & VINEYARDS** and **KINDRED VINEYARDS**. Once you're ready for lunch we recommend breaking the picnic out at **KERRY HILL WINERY** or at **THE ORCHARD HOUSE** - they have amazing food and more wine from the Sunnyslope.

For dinner, you can head over to **CASA AÑEJO** in downtown. We recommend starting with the appetizing Sweet Corn Guacamole while deciding what's for dinner. If you feel like having the true experience, make sure to save room for a traditional Mexican flan.

Take a stroll along Indian Creek and enjoy the views. During the Summer, **INDIAN CREEK PLAZA** has events all year long. If you happen to be in town on a Tuesday, you won't want to miss their Tuesdays on the Creek Concert Series and Farmers Market. During the winter months, you can catch the **WINTER WONDERLAND FESTIVAL** or go ice skating at the Ice Ribbon & Rink — with over one million LED lights on display!

Head back to your wine trail B&B. There are plenty of options of places to stay near downtown Caldwell & the Sunnyslope Wine Trail. Book your stay at **HOPS & PINE GUEST HOUSE**, **DOUBLE DECKER BUS HIDEAWAY**, or **VINO CAMP** at Sawtooth Winery. You can also check out **LE POULE ROOST** or **TRINITY RANCH IDAHO BED & BREAKFAST**.
